

Dear Parent(s):

The purpose of this letter is to introduce you to the American Legion Post 83 Baseball program and to inquire about your son's interest in playing next summer.

Currently the Sheboygan Legion Baseball Program has teams at three levels U-16 (Frosh.), JV, and Varsity. The U-16 season begins at the end of May (following the high school spring season) and concludes by the end of July. The team plays approximately 20 games for the season. The player fee this past season was \$150.00.

We are inquiring about your son's interest in playing to determine if there are enough potential players to have two U-16 teams next summer. We need this information this fall in order to determine if we need to budget and raise funds for an additional team.

If you want more information about the program you can visit our website: www.sheboyganlegion.org. Also, we will have an informational meeting on Thursday, August 18th at 7:00 PM in the commons at South High School.

If you feel you already know your son's interest without attending the meeting on August 18th, please either fill out the information below and mail it to the indicated address or e-mail the information to: jeff.ristow@sheboyganlegion.org.

Your cooperation is greatly appreciated!

Sincerely,

Jason Fortuna
