

Sheboygan American Legion Post 83 Baseball

720 North 38th Street
Sheboygan, WI 53081
Phone: (920) 452-8183

The Sheboygan American Legion Post 83 Baseball Program provides approximately 60 Sheboygan area high school age youth the opportunity to play summer baseball. The program sponsors teams at four age levels and provides our youth with the opportunity to develop their baseball skills and develop self discipline, sportsmanship, and friendships. Without this program, the high school youth would not have the opportunity to compete in a summer baseball league.

The baseball program is co-sponsored by the American Legion Prescott-Bayens Post 83 and the Sheboygan Legion Baseball Booster Club. 100% of the costs for this program are funded through player fees, Post 83 sponsorship, private contributions, and fund raising activities.

The parent booster club will be holding a brat fry on Saturday, February 18, 2012. We ask that you consider making a raffle item donation to help support our organization.

Please send your donation to the above address.

Any support that you can provide would be greatly appreciated. Thank you very much for your consideration.

Sincerely,

Sheboygan Legion Baseball Booster Club
